

MONICA GENTA

180 Days of
Awesome -
Celebrating Every
Day of Education

Monica Genta is so excited to spend the day celebrating awesome with you! Her goal is to transform teachers, leaders, and schools from seeing education as an ordinary job into an extraordinary adventure. Genta feels that every person who walks into a school deserves to love their experience! She is the author of four books, a national board certified teacher, and nationwide educational consultant and motivational speaker. Monica's TED talk has been viewed by thousands of educators from all over the world. In her free time, she enjoys long road trips, accomplishing new challenges, eating unique pizzas, and impromptu dance parties. She is pumped to share her life and experiences with you and is confident you will laugh and learn along the way.
